VENKAT RAMAMURTHY

VENKAT RAMAMURTHY

25 years ago a man came to America. 10 years later, he married a Texan. That's barely scratching the surface with Venkat, one of the new and high energy faces in the DFW comedy scene. Laugh along with him while enjoying stories about life, love, and the cultural shock of not just becoming an American, but marrying one too! Venkat has performed all around the DFW area and recently placed as a finalist in the Purvis Wilson Funniest Stand-Up in Dallas competition.
